

## To Know God

Lord, make me to have intelligent knowledge and discernment in knowing You personally; spiritual eyes focused and clear.

To know God: (Just 3 steps.)

Step 1: Read the Bible as it teaches in John 14:26: “..The Helper, the Holy Spirit, whom the Father will send in My name, He will teach you all things, and bring to your remembrance all things that I have said to you.”

Precede this with prayer to engage the Helper as noted in Proverbs 2:4,5: “If you seek her(God's wisdom) as *a man would for silver* and search for her as for hidden treasures; then you will understand the fear of the Lord and find the knowledge of God.”

Step 2: Set and keep a time and a place to study the word. Read only a little at a time. Think of the manna gathered in the wilderness – only enough for the one day. Listen as you read for a verse or word to hit you or catch your attention. Copy it and meditate on it off and on throughout the day.

Step 3: Open your (born-again) heart to let the Helper teach you to listen as taught by James in chapter 1:25; and put his admonition into practice: “..He who looks into the perfect law of liberty and continues in it, and is not a forgetful hearer but a doer of the work, this one will be blessed in what he does.”

\*Will I learn what God intends? Only if I listen with my new man's spiritual heart, ears and eyes.
